

# Wavemaster LX 6

## 5.1 Surround Sound System

49,95 pro Stück inkl. MwSt.

LX 6

### Beschreibung

- Active 5.1 sound system for gaming applications and movies - incl. virtual surround sound function for stereo sources.
- Dynamic true 5.1 surround sound with powerful bass performance
- High quality wooden subwoofer with bass reflex technology
- Compact and stylish satellite design

### Besonderheiten

- Surround simulation: if you have no 5.1 audio sources available you can connect a standard stereo source to front inputs of the LX-6. The stereo signal will be detected and automatically distributed to all 5 satellites and the subwoofer for a fascinating virtual surround effect. Try it out!
- Bass control: adjust the bass level according to your personal taste.
- Integrated controls: easy reachable controls for On/Off, bass and Volume.
